

WELCOME TO ATLANTIC PORT LA ROCHELLE

Atlantic Port La Rochelle is the only deep-water port on the Atlantic coast and the **6th largest maritime port in France**, with 6 terminals (276 ha of land) and a total of 4,475 meters of quays linked to the national railway network. The islands of Ré and Oléron provide sheltered, rapid access (45 minutes of piloting).

With total freight traffic of almost 10 million tonnes, mainly cereals, refined petroleum products, bulk agricultural products, building materials, heavy lift and forest products. Atlantic Port La Rochelle is **the leading French port for paper pulp and ranks second for grains exports**.

Atlantic Port La Rochelle is subject to **the safety regulations** established by the International Ship and Port Facility Security Code (ISPS).

All persons entering the Port must have a valid access card corresponding to the zone they wish to access. **The access card is strictly personal**. It authenticates the identity of the holder and must be provided on entry or for security checks. Supervising agents are authorised to request proof of identity.
